# Request for Support of the 2018 Robert Howe Fire Safety Poster/ Calendar

This Year Marks  
the 27th year  
of this very  
important  
Program.

This project  
would not be  
possible without  
the Dedicated  
support from  
Sponsors like  
you!

This year will be the 27<sup>th</sup> Annual State Fire Safety Poster/Calendar Project. Every year for over 26 years, the printing of the calendar has been made possible with the support of sponsors like you! Again, this year we are asking for your donation to help support this statewide project.

The Robert Howe Fire Safety Calendar formerly named the fire safety calendar program goes hand and hand with the many fire safety programs organized by local fire departments around Fire Prevention Week. Once more, our objective is to provide calendars to students statewide.

Your contribution is vital in helping us reach the goal to keep our children and all Vermonters safe from fire.

In Vermont schools, children learn important fire safety messages such as: Stop, Drop and Roll, Stay Low in a Fire, Electrical Safety, Scald Prevention; also the importance of Smoke Detectors, Sprinkler Systems, Fire Drills and Home Exit Plans. During the month of October, all 3<sup>rd</sup> grade students are asked to portray the fire prevention messages they have learned in a drawing. After judging by a team of judges thirteen students' drawings are chosen to illustrate a fire safety message for each month as well as the cover in the next State Fire Safety Calendar.

Through the distribution of this calendar, the children share the messages at home with their families helping to further prevent the tragedy of fire.

Please send your donations to support the 2018 calendar to  
**L. Brown & Sons Printing Inc.**  
**14-20 Jefferson Street, Barre, VT 05641**

**We ask that all contributions be submitted by November 15th.**  
And please make your checks payable to L. Brown & Sons Printing Inc.

Please consider donating again  
this year, to make this year the  
biggest and best year yet.
