

New Fire Chief: Challenging Issues

This two-day course is designed to develop the managerial, administrative and leadership skills necessary for the first time fire chief and chief officer who desire a leadership position in their department. This course addresses critical knowledge and skills pertaining to the responsibilities of a fire chief. Topics covered include local politics and the role of the chief officer, liability and risk management, and resources and items of knowledge needed to become a first time leader in a new position in his or her agency.
