

NATIONAL FIRE ACADEMY INTRODUCTION TO UNIFIED COMMAND FOR ALL-HAZARD INCIDENTS

This two-day course is designed to provide Company Officers (COs) with a better understanding of multiagency needs and a Unified Command structure. This course will provide the attendees with an understanding of the requirements of a Unified Command organization and provide learners with the knowledge and skills necessary to operate effectively in complex incidents.

Selection Criteria: The primary audience for the course is fire department COs, first responders, chief officers, and others who would function in a Command or General Staff position during a multiagency operation. Further specification for the audience includes officers who have command responsibilities, are upwardly mobile and act in the position of a Command Officer, would function in a Command or General Staff position during a Unified Command operation, and are initially responsible for setting up the Incident Command organization.
