

2023 Assistance to Firefighters Grant Program

FEMA Region I

Application Development Workshop Schedule

FEMA anticipates the 2023 Assistance to Firefighters Grant (AFG) Program will be open for applications in late January 2024.

FEMA Region I will be conducting in-person workshops across the New England Region. The date, time, and location of each session is indicated on the schedule below. Each workshop is approximately 2½ hours long and provides information on AFG, what is new for 2023, and tips to develop and submit a successful application. These workshops also provide an opportunity for applicants to ask questions and network with FEMA Grant Specialists and other AFG applicants and recipients.

In addition to these in-person workshops, the AFG Program will also host virtual workshop webinars closer to the time of the application period. The schedule for the virtual webinars will be located at <https://www.fema.gov/grants/preparedness/firefighters/workshops> once released.

If you have any questions or concerns, please contact one of the Region I Fire Grant Program Specialists:

Chris Babcock
(202) 710-3748
christopher.babcock@fema.dhs.gov

Lance Harbour
(617) 513-9734
lance.harbour@fema.dhs.gov

*****There is no requirement to register or RSVP for these workshops*****
