## Access Board Variance Instructions

1. Applicant must submit the completed Access Board Application (attached/enclosed) both via email, and as a cover sheet for each of the 12 hard copy sets to be sent to the Division of Fire Safety Office (instructions below). The application should include:

- Total cost of project
- Cost being spent on accessibility
- What type of variance is being requested: (example - lift in lieu of an elevator) and project summary

2. Instructions and what to send to Division of Fire Safety Office:

- Plans, photos, specs (such as specs for elevator vs. LuLa or lifts) Note: Plans should not be larger than 11x17. The application and related documents are only a summary of the project. Additional larger prints of photos and plans can be brought to the meeting.
- Send **12 complete sets** of the application, plans and photos to the mailing address above, place a hard copy of the completed Access Board Application as the cover sheet for each set. The 12 sets must be collated, clipped, and mail ready (we will provide envelopes and postage). The documents will be mailed each of the Access Board members for their review prior to the meeting. All 12 sets and the emailed application must be in our office two weeks before the meeting for the project to be placed on the agenda.

*~~Email the completed electronic version of the Access Board Application to~~*
